

TECHNICAL DATASHEET

UNIVERSAL ASTAR®

About Product

UNIVERSAL ASTAR® is acrylic dispersion-based copolymer primer for highly absorbent surfaces.

Product code: 204.70005

Application Areas

- Indoors and outdoors, on vertical and horizontal surfaces
- To increase the adhesion of materials applied to the surface by reducing the absorbency of surfaces made of gypsum, gypsum plasterboard, aerated concrete, concrete, stone, brick, plaster, lime plaster, and wood
- As a primer under wallpaper and painting
- To reduce the absorbency of surfaces before applying tiles and ceramics to absorbent surfaces made of gypsum plasterboard, aerated concrete, lime plaster and wood

Advantages

- Reduces water absorbency
- Ensures high adhesion
- Solvent-free, suitable for indoor use
- Prevents cracks caused by sudden water loss when applying cement and gypsum-based plasters on absorbent surfaces
- Conducts steam
- Resistant to freeze and thaw cycles

Technical Specifications

Composition of material	Modified copolymer acrylic dispersion
Colour	White
Density	~ 1,007 kg/L
Application temperature	+5°C +30°C
Time to other applications	Minimum 24 hours

Storage Conditions

Store unpacked in the original packaging (container) in a dry and cool place.

TECHNICAL DATASHEET

UNIVERSAL ASTAR®

Shelf Life

Under proper storage conditions, 12 months from the date of manufacture.

Safety Measures

During the application, wear work clothes and use protective gloves, glasses, and a mask according to the working conditions and occupational safety requirements. Due to the irritant effect of the uncured material, avoid contact with skin and eyes; in case of contact, immediately wash the contact area with plenty of water and soap; in case of ingestion, seek medical advice immediately. Food products should not be allowed in the material application areas. Store out of reach of children. For more details, please see the Safety Datasheet.

Liability

Our company shall only be liable for the product quality. Our company shall not be liable for any use of the product in breach of written guidelines and/or improper use. For more details, please request a product manual or contact our company's responsible officials.
