

TECHNICAL DATASHEET

KONTAKT ASTAR®

About Product

KONTAKT ASTAR® is a polymer dispersion-based primer with a mineral aggregate, applied to smooth concrete surfaces before cement and gypsum-based plasters, which increases plaster adhesion to the surface.

Product code: 204.70007

Application Areas

- In smooth concrete in indoor and outdoor applications; Before applying cement and gypsum-based plasters to walls and ceilings;
- To improve adhesion before laying new tiles or ceramics onto existing tiles or ceramics;

Note: Do not apply to surfaces permanently exposed to water and moisture.

Advantages

- Entering into a chemical reaction with cement surfaces, gypsum-based plasters gradually peel off the surface
- It is an excellent primer designed to prevent direct contact and ensure strong adhesion to the surface
- Ready and easy to use product
- Can be applied to wooden and metal surfaces
- Prevents rapid absorption of water from the applied plaster by the surface, extends the open time, prevents rapid drying and cracking
- Since the product does not contain solvents, it can be comfortably used indoors

Technical Specifications

Composition of material	Mineral aggregates and acrylic dispersion
Colour	Green
Density	~ 1.6 kg/L
Application temperature	+5°C +30°C
Time to plastering	Minimum 24 hours
Drying time	2 hours

TECHNICAL DATASHEET

KONTAKT ASTAR®

Storage Conditions

Store unpacked in the original packaging (container) in a dry and cool place.

Shelf Life

Under proper storage conditions, 12 months from the date of manufacture.

Safety Measures

During the application, wear work clothes and use protective gloves, glasses, and a mask according to the working conditions and occupational safety requirements. Due to the irritant effect of the uncured material, avoid contact with skin and eyes; in case of contact, immediately wash the contact area with plenty of water and soap; in case of ingestion, seek medical advice immediately. Food products should not be allowed in the material application areas. Store out of reach of children. For more details, please see the Safety Datasheet.

Liability

Our company shall only be liable for the product quality. Our company shall not be liable for any use of the product in breach of written guidelines and/or improper use. For more details, please request a product manual or contact our company's responsible officials.
